PROBLEMS in INDEXING RECORDS of  
Church of Christ in the  
East Precinct of Barnstable  
also called the East Parish  
1717 - 1835

Sources: Original record

EAST PARISH CONGREGATIONAL SOCIETY, Barnstable, Mass.  
March 1718/18 to July 27, 1801

A Book of the the Records of the Church of Christ  
Mr. Joseph Green was ordained a Pastor unto it.

Members listed March 1725 to May 1816

First listing Pastorate of Mr. Green May 12, 1725 to  
August 5, 1770

Males 1-128

Females 1- 328 omitting 295, 6, 7, 8, 9;  
294 apparently read as 299. Lists do not run orderly  
towards the back of the book.

Numbered again under Rev. Jotham Waterman as of 1801, but  
are not numbered in the order admitted into communion. Some  
are of members whose names appeared previously in Mr. Green's  
enumeration. The spelling of names in the numbered list  
frequently does not agree with the spelling upon admission.  
Polly for Mary or Sally for Sarah, etc.

Sometime, 1800-1815, some one edited the records, making many  
pencilled notations, correcting dates, ages, supplying names  
and relationships.

Many entries are incomplete. For instance:

Widow Hinckley died in 1816". no first name, no husband's  
name, no month, day nor age. Other records were crowded in  
some time after the event.

Few dates of baptism are included in this index because of  
such entries as: "the seven children of Mr. \*\*\*\*\* were  
baptised".

ok: DEATHS in the North East Parish in Barnstable in the time of  
Rev. Sewall 1820-1822 and Rev. Henry Hersey 1824-1835.  
In time of Mr. Hersey there is a list as of 1824, 5, 6, 7  
marked with # if they had died, but no dates of death given.  
Names not numbered in this list. Many names listed do not  
appear in records of Admissions; or with different spelling;  
when they do.

Penmanship is sometimes very difficult to decipher.  
Spelling seems often to be phonetic, making it hard to  
identify accurately before filing.

Spelling varies in the same individual between admission  
and death.
